

TOP THINGS TO DO

There are so many amazing possible activities to enjoy on the island during your summer holidays that we have put together a list for you of our favourite things to do – so you don't miss out on anything. Enjoy Pašman Island!

Mediterranean vegetation.

Make an excursion - An unforgettable boat ride through the Kornati Archipelago, visit to an natural phenomena Galesnjak - Heart shaped island, or a gourmet experience in one of

Spend a day on the beach - With 46 beaches around the island, Pasman island is a paradise for the sun, sand, and sea lover. Find everything from large beaches with every facility for a fun family day, to hidden coves where you may share the sands with only a few people...or nobody.

Get Sporty - The summer activities comes in many forms. Besides the more established water sports like diving or canoeing, popularity is growing in stand-up paddle surfing,

hear sounds of the sea and birds. If you're looking for Robinsons holidays in the environment of the clear blue sea, there are several well-kept cottages in direct contact with the elemental nature - deep sea, hard stones and scarce

the plenty of interesting restaurants where offering delicious cuisine, are just some of the possible excursions to tempt you to leave the beach for a different day out.

Swoon over a sunset - Head up to the Straža peak in Tkon for a dazzling view of the sun slipping into the Adriatic Sea.

Tkon

On the whole island there are about dozen villages and hamlets including Tkon, Ugrinić, Kraj, Pašman, Barotul, Mrljane, Nevidane, Dobropoljana, Banj and Ždrelac.

Tkon is a typical fishing village and port, located on the island of Pašman, sometimes referred to

as the "Gateway to the Kornati islands. Tkon has perfect location because it is so close to many national parks such as Kornati, Waterfalls Krka, Paklenica, Vransko lake and Plitvice lakes. The sea is very clean and ideal for wind surfing. Zadar and Biograd are the nearest cities, only 20-45 minutes. The basic activity of which the population here is engaged in fishing clam from the Pasman Canal - these are the seashells for which the place got its name - Kun (Tkon).

Ugrinić is a small fishing village next to Tkon. Many of the locals will offer you homegrown vegetables and fresh fish. The Ugrinić surrounding consists of old, non-inhabited, stone houses, which ensures an intimate and relaxing atmosphere.

DIR PO KONALU

FKK SOVINJE

The sunny islands of secluded bays and irresistible beaches

Some are shallow and sandy, some gravel and some rocky with natural stone slabs for sunbathing.

On the northern side of the island all of the beaches are sandy. FKK Sovinje located at the end of the road outside the village Tkon a sandy beach which is a natural phenomenon and can be found on only a few localities of the Adriatic (the most famous is the island of Susak). It is a constant sedimentation of sand from the rocks and makes it so beautiful.

Beaches in Tkon popular tourist destination for visitors from Biograd, who daily come trajktom swimming and diving. Whether you select a quiet and secluded cove or a sandy rhapsody, one thing is certain, you have chosen your place under the sun.

BARTOVICA

ČOKOVAC

in the 17th century, with the legacy of the local Glagolitic A. Palaskov 1672) and the Benedictine convent of St. Kuzme and St. Damjan (located on the Cokovac hill, it is a cultural monument of the zero category, built by the Biograd bishop Teodorik in 1059 on the foundations of an early byzantine fort and an old Christian church).

Čokovac the last active male Benedictine monastery in Croatia and the world famous Glagolitic center. It is available to visitors from June 1st to October 31st between 4.00 p.m. and 6.00 p.m. After guided visiting, you can spend some time in monk's souvenir shop. There you can learn and buy home made liquer, aromatic herbs, natural creams... This is the most visited photo point on the island where panoramic view spread over the Pasman Canal and Tkon village.

St. TOMA

St. ANTUN

St. ANTUN

St. ANTUN

St. ANTUN

Tkon contains numerous historical sites such as the parish church of St. Toma (mentioned in the 11th century, built in 1742, restored in 1938), Church of Our Lady of Seven Sorrows (built in the 18th century, located on the Kalvarija hill), St. Antun the Loner (built

FAIR OF ISLAND PRODUCTS

to meet the people behind those products or to try and buy it on-site directly from the vendor.

In addition to "Škraping", an international trekking race that takes place in the March, in the summertime you can expect a lot of entertainment and cultural events. The most popular is the "Ribarska noć - The Fisherman's Night" in Tkon, where you can have fun with the sea food, traditional games and live music until the early morning hours.

The most beautiful view in this part of Pasman stretches from the hill Straža. On the rocky top which is 172 m high, there is a cottage – lookout with a view on the Kornati archipelago, Vransko jezero, Ravni kotari and mountain mass of Velebit.

One of the most beautiful islands in Croatia, Pašman has a stunning coast, a breathtaking interior and a smattering of vibrant villages. Hike, bike or ride through the island's hills, swim, dive and snorkel along its coast or dance the night away in one of its lively nightspots. A great choice for family vacation.

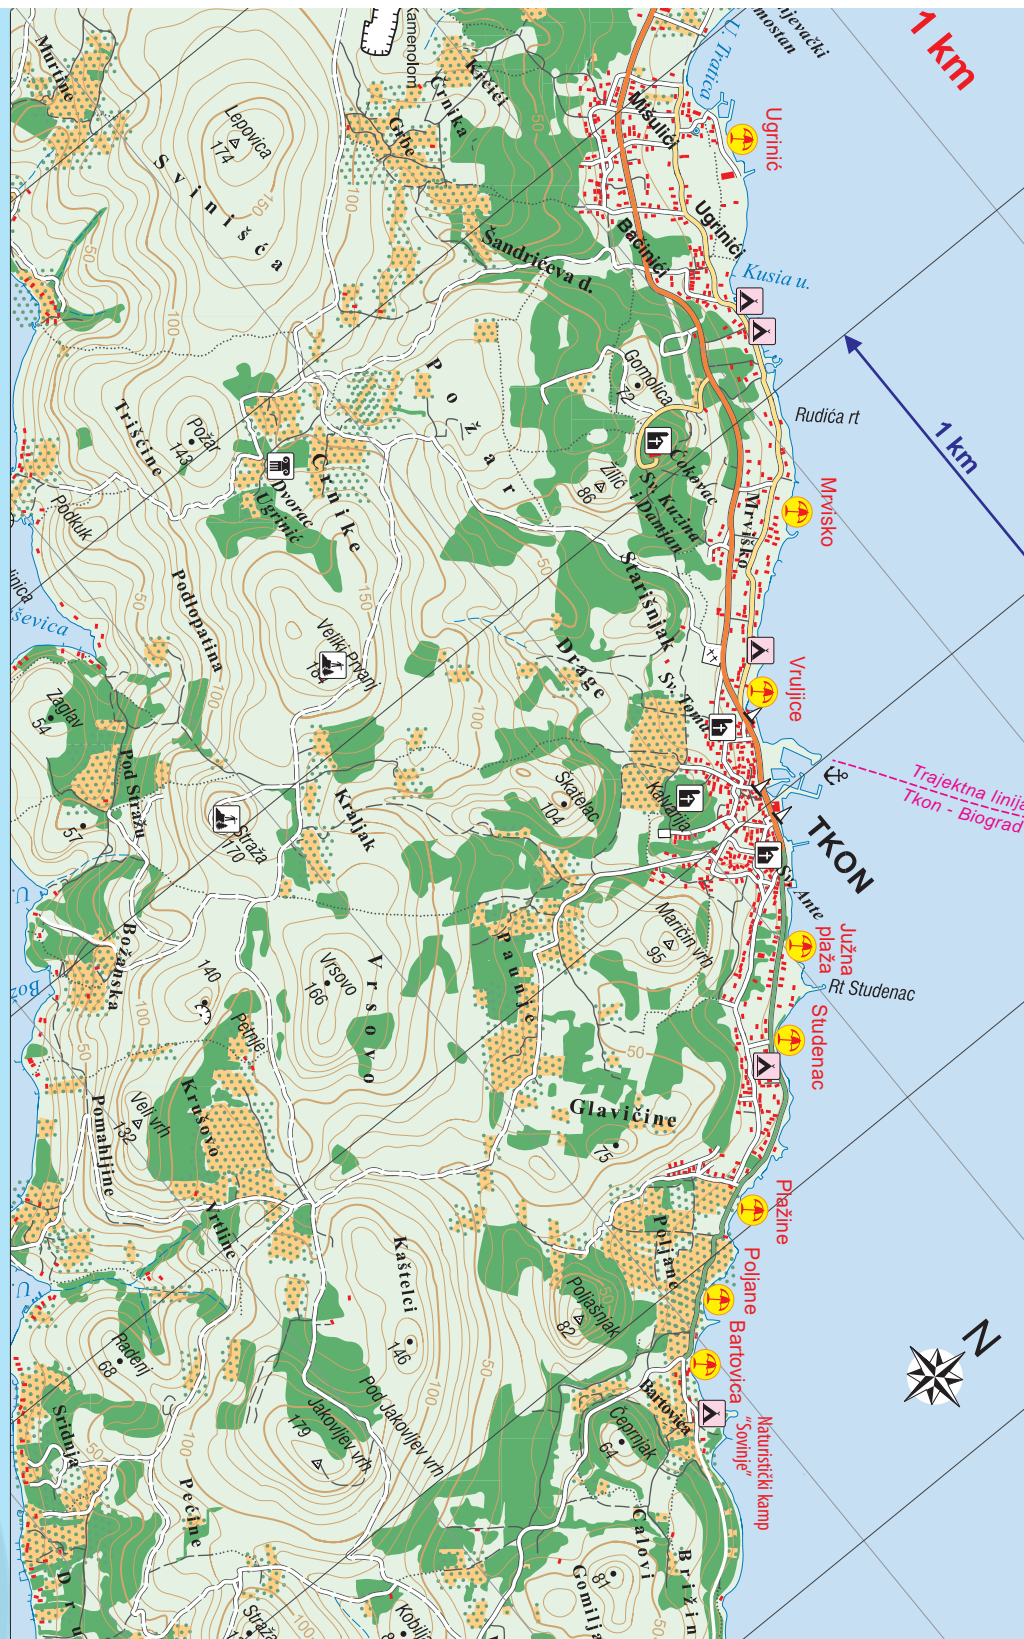

STRAŽA

PUSTOGRAD

Pustograd is Byzantine fortress from the 6th century, situated on the hill above the bay Zaklopica. Nature and hiking lovers can follow well marked cycling/hiking trail that leads towards the fortress. The location represents a very important archaeological site that has not yet been explored.

Open fires or even using camping stoves outside of campgrounds is strictly prohibited. Also be careful when lightning out the cigarette. Croatian coast is high fire risk area especially in the summer.

In order to fish in Croatia , it is necessary to have a fishing licence or fishing permit that is obtainable from Croatian local offices or travel agents. You just pay the set fee and off you go. There is no age limit for fishing in Croatia.

The Croatian law requires all recreational skippers chartering Croatian flagged vessels to have a certificate of competence. Under Croatian law, the Ministry of Sea, Tourism, and Transport can only recognize licenses issued by the national authorities of other countries. Tourists in Croatia can be certified at harbour masters' offices in Pula, Rijeka, Senj, Zadar, Šibenik, Split, Ploče, and Dubrovnik, as well as at the Ministry in Zagreb.
